Tentative Titles in Production*

*Titles in production are scheduled to be available in IEEE Xplore with a 2013 copyright. Most titles will be available in 2013 but there are some that may be available in early 2014. Customers who have purchased 2013 copyright titles will have access to these titles as they become available in IEEE Xplore.

Date expected in Xplore**

**Date expected in Xplore is the date we anticipate the title to be published on the Xplore platform. This date is tentative depending on Wiley's production schedule and could be delayed as a result.
