

IEEE Standards Select

IEEE *Xplore*[®] Digital Library Subscription Option

Maximize research and development with a customizable standards package

IEEE standards are used around the world to help industries and companies open business opportunities, generate public and customer trust, build order in the marketplace, and enhance safety. IEEE Standards Select lets you build an IEEE standards subscription that's just right for your company.

IEEE Standards Select delivers key benefits for your research team:

- Access to new and revised standards, including draft standards
- Increased productivity by having all your standards in one place
- Real-time updates to the most vital standards in your industry
- Subscription packages available to fit your company's needs
- Collaborate and share with colleagues

Choose standards in a variety of technologies:

- Design automation
- Electromagnetic capability
- Energy development/power generation
- Health informatics/medical device communication
- Information technology
- LAN/MAN
- Nuclear engineering
- Portable applications (POSIX)
- Power transformers, distribution, and regulation
- Protective relaying
- Smart grid
- Software engineering
- Switchgear
- Telecommunications
- Testing, instrumentation, and measurement
- Transportation technology and more

IEEE Standards Select Quick Facts

Help your technology professionals stay current with a customizable standards package:

Choose from more than 7,500 active, draft, or archived IEEE standards

Note: Does not include access to the NESC[®] or Arc Flash families of standards

Automatic email alerts on new standards and drafts

Search standards by subject, title, designation, and keywords using IEEE *Xplore*

Available in two purchase options:

Standards Select Lease:

Provides leased access to the number of standards you choose for one year

Standards Select Perpetual Access:

Provides perpetual access to the number of standards you choose*

Create a corporate standards library with the IEEE *Xplore* file cabinet

Share downloaded standards by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download.

***For a custom quote, contact an IEEE Sales Representative.**

IEEE Standards Select: Delivered through the IEEE *Xplore*® Digital Library

Access respected technology research that generates results

IEEE *Xplore* includes **top-ranked journals and technology research that is cited in patents three times more often than any other publisher.** With more than 4.5 million full-text articles and papers, IEEE *Xplore* is your gateway to more than 30% of the world's current literature in electrical engineering, electronics, and computer science.

Find relevant research faster with powerful search tools

IEEE *Xplore* combines an easy-to-use interface with powerful search features that make finding relevant research faster and more efficient.

Search: With a newly upgraded search engine, Basic, Advanced, and Author search options and a "Refine/Expand Results" module let you modify and find results easier than ever before.

Personalize: You can also personalize IEEE *Xplore* to create targeted saved searches and table of contents alerts, and set personal preferences.

New Features: These include the new IEEE *Xplore* API platform, a *MyXplore* smartphone app, and the ability to download multiple PDFs at once for select subscriptions and full issues on certain publications. Leverage the integration of Code Ocean and other reproducible research tools to run, modify, and download code from IEEE *Xplore* documents.

IEEE *Xplore* also provides:

- More than 4.5 million documents in full-text PDF format, with more than two million in a robust, dynamic HTML format
- Multiple authentication options for on-site, remote, and mobile users
- INSPEC® abstract and citation records
- Mobile-friendly design
- Daily content updates

IEEE standards are valuable in a variety of areas, including:

- Product design
- Reference
- Compliance programs such as ISO 9001
- Purchasing specifications
- Legal & patent issues
- Safety requirements
- Maintenance
- Quality assurance
