IEEE *Xplore*® Digital Library Subscription Option

## A cost-effective research solution for small companies

Advance innovation with the IEEE *Xplore* digital library subscription designed for smaller companies with a team of researchers. IEEE *Xplore* for Corporate Workgroups provides access to technology's most trusted research—with a pricing structure that fits the needs and budget of smaller organizations.

## IEEE *Xplore* for Corporate Workgroups delivers key benefits for smaller research teams:

- **Drive new ideas**, designs, and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of new advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research so you don't reinvent the wheel
- **Accelerate innovation** with convenient access to proven research all in one place
- **Share vital information** with any subscriber in the workgroup with a shared online file cabinet

## See what your colleagues are reading with the IEEE *Xplore* file cabinet

Share downloaded documents with colleagues by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to work together and fuel innovation.

Note: The shared file cabinet stores a maximum of 10,000 documents
