Manning eBooks Library

Delivered through the IEEE *Xplore*® Digital Library

Access respected technology research that generates results

IEEE *Xplore* includes top-ranked journals and technology research that is cited in patents nearly three times more often than any other publisher. With more than 6 million full-text articles and papers, IEEE *Xplore* is your gateway to more than 30% of the world's current literature in electrical engineering, electronics, and computing.

Find relevant research faster with powerful search tools

The Manning eBooks Library is searchable in IEEE *Xplore* by title, keyword, or subject, which will return all titles and eBook chapters relevant to your query. Keyword or subject searching allows users to find the topic of interest easily at the chapter level, while a title search allows users to view an eBook title's home page with table of contents linking to full-text chapters.

Manning eBooks Library sample titles:

IEEE *Xplore* also provides:

- More than 6 million documents in full-text PDF format, with more than four million in a robust, dynamic HTML format
- Multiple authentication options for on-site, remote, and mobile users
- Abstract/citation and bibliographic records for subscribed content
- Mobile-friendly design
- Daily content updates

About Manning Publications:

Founded in 1990, Manning is a publisher of computer books, videos, and projects for software developers, engineers, architects, system administrators, managers and anyone who is professionally involved with the computer business. Based in Shelter Island, New York, it is an entirely virtual organization with many staff working from places such as Manila and Zagreb.
